July 16, 2025

Be it enacted by the Town Board of the Town of Lloyd as follows:

SECTION I.

SHORT TITLE

This local law shall be cited as Local Law C of 2025 of the Town of Lloyd and is entitled the “2025 Zoning Code Amendments.”

SECTION II.

LEGISLATIVE FINDINGS

The Town Board seeks to regulate crematoriums throughout the Town to promote the public health, welfare and safety within the Town of Lloyd. The Town has evaluated its comprehensive plan and existing zoning to identify the need for changes or improvements to the Town of Lloyd Zoning Code (“Zoning Code”). The goal of the comprehensive plan is to provide for the orderly development and redevelopment of properties located within the Town and to ensure that uses within the Town are appropriately located in relation to each other and consistent with the community character of the Town. The Town Board has further considered the potential impacts of crematoriums within the Town and their potential impacts on surrounding uses, particularly residential uses. The Town Board finds that these amendments to the Zoning Code are consistent with the comprehensive plan and existing zoning and will promote the public health, welfare and safety within the Town of Lloyd.
