Supervisor explained that the Town currently has a \$100,000 grant to install Solar Panels on the Salt Shed at the Highway Garage.

The panels and installation cost \$200,000.

Barton and Loguidice contacted him and said they see we are a Climate Smart Community, and we would be interested in a \$100,000 grant for Solar. Supervisor said yes.

The catch is this grant application is due July 31, 2025, by 3:00 PM.

That is the reason for this Special Meeting.

We must include a certified resolution that the Town approves this grant application.
